Meeting at chapter house is not open to public. No motorcade. 3 cars from Navajo will lead on trip to chapter house, and EPA will follow.

Hi Fatima:

I'm trying to arrange for Jared's mine tour on Thursday, and need clarification on his schedule. I believe he flies out of Durango at 6:30 pm. From the Durango airport to the mine is a 2 hour drive. So he'd need to leave the mine by 3:30 to get to the airport on time. He will need to leave Farmington by noon to get to Durango (an hour drive) and then to the mine (another hour and a half). Does this seem like it will fit in with his plans? I have to arrange with our Ops Section for access, and because media want to get up there too, we may have some press follow on to our visit. So if you could clarify what his schedule is for Farmington and Shiprock on Thursday that would be great. Thanks!

Hi. I just heard from Enrique that Clancy will travel to Farmington. He'll pickup Jared in Farmington today and do the site visits/meetings tomorrow.

Please keep Clancy in the loop on travel and agenda plans.

Thanks,

Fatima
